STUDENT LIFE: The View Of In

ADS: Deception

ACADEMICS: Confusion

CLOSING: The End Of The Fantasy

PEOPLE: Viewers perspective

ORGANIZATIONS: Optical Illusions Film Grip

My teammates and I had this great idea where we thought an amazing theme for the 2020 yearbook could be “Optical Illusions”. We chose this theme because we wanted to have a theme that was original and came straight from our heads not from someone else and also Optical Illusions is an amazing way to attract people to look through the yearbook to be entertained by the artwork and confusing illustrations that are shown. This is the reason why we chose Optical Illusions
