Description: Here at Gulliver we are bright and bold, we are eager to learning, and we express ourselves. We live in the moment and capture our memories. However, people don't usually see these empowering memories that we have. This is the main point of the year book, to look back on our memories and to take **a closer look**.

Ten Sentences:

It was the middle of summer. The email was sent: a phone ban was in place. At first, many were anti “the-ban”:

“I can’t believe this. I need my phone.”

“There's no way i'm locking my phone up all day.”

“This is so annoying. I usually check my phone on the regular.”

But upon **a closer look**, we realized that it brought us closer together.

During the first pep rally on Sep. 23 we cheered so loud watching the faculty vs. student volleyball game.

At the last football game, the crowd roared as we faced off against Ransom Everglades.

As students stepped into Mrs. G’s class on Halloween, students were ecstatic to receive spooky grams and eat their candy.

Look at all the ways we excelled:

8th grade student, Corbyn Dauphin, receives principles list for the 3rd year in a row.

Excellent hockey player, Jack Gomberg,

Andrew Klymenko leads team to victory at the soccer championship while facing Ransom Everglades.

By the end of the year students were singing a different tune.

“The ban isn't that bad. It really helps me focus on what I need to get done.”

Now we are **closer** together and able to connect like never before.
