

Harper & Siena's

ALL IN Theme Presentation

all in

AT GULLIVER, we never did things half measure.

We yelled “**GO RAIDERS!**” when the football players run out the tunnel at the first game of the season.

We helped the football players keep their **HEADS HELD HIGH** after they lost their game.

We shouted when seventh grader Harper Migdal won the Halloween **COSTUME CONTEST** dressed as a construction worker.

We jumped with joy when we were treated with Dippin’ Dots for **DOT DAY**.

We celebrated when got an A on the **ENGLISH MIDTERM**.

We went to tutorial when we fell behind in Math.

Whether we win or lose, succeed or fail, we always brought each other up.

We laughed, we cried, we smiled through it all.

We ARE ALL IN.

Theme description:

We chose the theme All In because it explains how Gulliver is always going for it and how we are one. All in. means how we are all together and we will always support each other as a team. It says just that our gulliver community is a team and we work hard together “All In”.
