

Everything Will Be Alright

BY: Gonzalo Vidaguren & Matias Vidaguren

Theme And 3 Sentence Description

The theme of our yearbook is that no matter what we will always have hope and stick together. We choose this theme because last year we all had a hard time in school and outside of school, everyday we had to tackle problems. But we all had hope that things would get better, this year things have been going better like in person school. We had a good outcome as Everything Will Be Alright!

Fonts

The fonts we chose that were most suitable for our theme are...

1. *Caveat*

2. Courier

New

3. **PERMANENT
MARKER**

Color Palette

Our color palette that we picked and thought suited this theme the most were the colors Blue, Red, White, Yellow, and Orange

Last year we didn't know if everything would be alright. We did virtual school from zoom. We watched the news as worse and worse things kept on happening, we had to social distance, but we still had hope.

This year, we found out that even in the face of changes, we would be alright. This year, we had to adjust to new schedules, but we finally found our way to class. We had to wear masks in person, but at least we were together. This year we had new building being built, and we got to be together with our friends. We cheered our team at the football games. We know that even though we been through some of the worst, Everything Will Be Alright, no matter what or why things happen we will always be together.

**EVERYTHING
WILL BE
ALRIGHT!**
