

Do It Again

By: Eva Schnur, Fini Sanchez Lago, Viole Pescarmona, Nathi Berto

Gulliver Preparatory School Yearbook
2023-2024

Theme:

Description: At Gulliver Prep, people say we are unparalleled but, we are much more than that. We exceed our expectations and push ourselves to be the best we can. We never back down, and jump over our hurdles.

Theme:

Do It Again:

If we could **do it again**, we would.

All the fun stuff- eighth grader Tomas Lazcano dressed as a crayon cheering at the Halloween pep rally when he won the halloween costume contest. Painting our faces for dot day and getting dippin dots. The staff vs volleyball team pep rally and eighth grader Gabby De Haan serving a consistent serve every time. Eighth grader Nico Leal scoring a field goal in at the game against Marathon, while the crowd goes crazy.

Even the stuff that was hard- Late night studying for test for White Fang in Mrs. G's class. Going overtime in smart passes. Forgetting your PE, clothes and having to sit out. Getting ready for Mrs. Harringtons quick learning experiments.

Clearing out our lockers, saying goodbye to friends and teachers. Eighth graders realize this was their last day going to school at Gulliver Middle school. Eighth grader Eva Schnur hugs seventh grader Viole Pescarmona while knowing this was their last day together here.

“Knowing that my eighth grade friends are leaving to another campus this year is really sad to think about since we are all super close, I know me and my friends can not wait to reunite with them in a year in high school,” said Pescarmona(7).

We accomplished many things from the start, to the end. But to reach that goal, we had to practice and *Do it Again* multiple times. Sports, tests, grades, and winning. From the first day, to pep rallies, new years, spirit week, and lastly the end of the year. We will **do it again** even if it is a little different.
